APPLICATION FORM

Locality map:

A locality map must be attached to the back of this document, as Appendix A. The scale of the locality map must be at least 1:50 000. The scale must be indicated on the map. The map must indicate the following:

- an accurate indication of the project site position as well as the positions of the alternative sites, if any;
- road access from all major roads in the area;
- road names or numbers of all major roads as well as the roads that provide access to the site(s);
- all roads within a 1km radius of the site or alternative sites; and
- a north arrow.

Owners consent:

In line with the requirements of the EIA regulations, letters of consent of all landowners or a detailed explanation by the applicant explaining why consent is not possible must be attached to the back of this document as **Appendix B**.

2. Activities applied for

An application may be made for more than one listed or specified activity that, together, make up one development proposal. All the listed activities that make up this application must be listed.

Indicate the number and date of the relevant notice:	Activity No (s) (in terms of the relevant or notice) :	Describe each listed activity:
21 April 2006	Government Notice R 386 Item (1)(a)	The generation of electricity where the electricity output is more than 10 megawatts but less than 20 megawatts
21 April 2006	Government Notice R 386 Item (1)(d)	The construction of facilities or infrastructure, including associated structures or infrastructure, for resorts, lodges, hotels or other tourism and hospitality facilities in a protected area contemplated in the National Environmental Management Protected Areas Act, 2003 (Act No. 57 of 2003)
21 April 2006	Government Notice R 386 Item (1)(k)	The bulk transportation of sewerage and water including stormwater in pipelines with (i) an internal diameter of 0,36 metres or more
21 April 2006	Government Notice R 386 Item (1)(m)	Any purpose in the one in ten year floodline of a river or stream or within 32metres from the bank of a river or stream where the floodline is unknown, excluding purposes associated with existing residential use, but including (i) canals; (ii) channels; (iii) bridges; (iv) dams; and (v) weirs
21 April 2006	Government Notice R 386 Item (1)(n)	The off-stream storage of water, including dams and reservoirs, with a capacity of 50 000 cubic metres or more, unless such storage falls within the ambit of the activity listed in item 6 of Government Notice No R387 of 2006
21 April 2006	Government Notice R 386 Item (12)	The transformation or removal of indigenous vegetation of 3 hectares or more or of any size where the transformation or removal would occur within a critically endangered ecosystem listed in terms of Section 52 of the National Environmental Management Biodiversity Act, 2004 (Act No 10 of 2004)
21 April 2006	Government Notice R 386 Item (13)	The abstraction of groundwater at a volume where any general authorization issued in terms of the National Water Act, 1998 (Act No 36 of 1998) will be exceeded
21 April 2006	Government Notice R 386 Item (15)	The construction of a road that is wider than 4 metres and that has a road reserve wider than 6 metres, excluding roads that fall within the ambit of another listed activity or which are access roads of less than 30 metres long
21 April 2006	Government Notice R, 387 Item (2)	Any development activity, including associated structures and infrastructure, where the total area of the developed area is, or is intended to be 20 hectares or more

Please note that any authorisation that may result out of this application will only cover activities applied for. Omissions may render any authorisation that is based on incomplete information to be nil and void.

4. Declarations

4.1 The independent Environmental Assessment Practitioner

I, Claudia Coetzee, declare under oath that I –

- act as the independent environmental practitioner in this application;
- do not have and will not have any financial interest in the undertaking of the activity, other than remuneration for work performed in terms of the Environmental Impact Assessment Regulations, 2005;
- have and will not have no vested interest in the proposed activity proceeding;
- have no, and will not engage in, conflicting interests in the undertaking of the activity;
- undertake to disclose, to the competent authority, any material information that have or may have the potential to influence the decision of the competent authority or the objectivity of any report, plan or document required in terms of the Environmental Impact Assessment Regulations, 2005;
- will ensure that information containing all relevant facts in respect of the application is distributed or made available to interested and affected parties and the public and that participation by interested and affected parties is facilitated in such a manner that all interested and affected parties will be provided with a reasonable opportunity to participate and to provide comments on documents that are produced to support the application;
- will ensure that the comments of all interested and affected parties are considered and recorded in reports that are submitted to the competent authority in respect of the application, provided that comments that are made by interested and affected parties in respect of a final report that will be submitted to the competent authority may be attached to the report without further amendment to the report;
- will keep a register of all interested and affected parties that participated in a public participation process; and
- will provide the competent authority with access to all information at my disposal regarding the application, whether such information is favourable to the applicant or not.

APPLICATION FORM

4.2 The Applicant

I, PETER LISTER WRIGHT, declare under oath that I -

- Am, or represent, the applicant in this application;
- appointed the environmental assessment practitioner as indicated under point 4.1 above to act as the independent environmental assessment practitioner for this application;
- will provide the environmental assessment practitioner and the competent authority with access to all information at my disposal that is relevant to the application;
- will be responsible for the costs incurred in complying with the Environmental Impact Assessment Regulations, 2005, including but not limited to -
 - costs incurred in connection with the appointment of the environmental assessment practitioner or any person contracted by the environmental assessment practitioner;
 - costs incurred in respect of the undertaking of any process required in terms of the regulations;
 - costs in respect of any fee prescribed by the Minister or MEC in respect of the regulations;
 - costs in respect of specialist reviews, if the competent authority decides to recover costs; and
 - the provision of security to ensure compliance with conditions attached to an environmental authorisation, should it be required by the competent authority;
- will ensure that the environmental assessment practitioner is competent to comply with the requirements of these regulations;
- am responsible for complying with the conditions of any environmental authorisation issued by the competent authority;
- hereby indemnify, the government of the Republic, the competent authority and all its officers, agents and employees, from any liability arising out of the content of any report, any procedure or any action for which the applicant or environmental assessment practitioner is responsible in terms of these regulations; and
- will not hold the competent authority responsible for any costs that may be incurred by the applicant in proceeding with an activity prior to an appeal being decided in terms of these regulations.

APPENDIX A: LOCALITY MAP

APPENDIX B: LAND OWNERS CONSENT

**CONSENT IN TERMS OF REGULATION 16(2) BY THE LANDOWNER
AUTHORISING AN APPLICANT, OTHER THAN THE LANDOWNER, TO
UNDERTAKE IDENTIFIED ACTIVITIES ON THAT LAND (Version 1)**

Kindly note that

1. This form must be completed when application is made for environmental authorisation in terms of the Environmental Impact Assessment Regulations, 2006 promulgated in terms of sections 24 (5) and 44 of the National Environmental Management Act, 1998 (Act 107 of 1998) (as amended) ("GN R385") where the applicant is not the owner of the land on which the proposed activity will take place.
2. This form must be attached to the application form for environmental authorisation
3. This form is current as of 20 June 2006. It is the responsibility of the applicant to ascertain whether subsequent versions of the form have been published or produced by the competent authority.
4. The application must be typed within the spaces provided in the form. The sizes of the spaces provided are not necessarily indicative of the amount of information to be provided. It is in the form of a table that can extend itself as each space is filled with typing.
5. Selected boxes must be indicated by a cross and, when the form is completed electronically, must also be highlighted.
6. Incomplete applications may be returned to the applicant for revision.
7. The use of "not applicable" in the form must be done with circumspection as if it is used in respect of material information that is required by the competent authority for assessing the application, and may result in the rejection of the application as provided for in the regulations.
8. No faxed or e-mailed applications will be accepted. Only hand delivered or posted applications will be accepted.
9. Unless protected by law, and clearly indicated as such, all information filled in on this application will become public information on receipt by the competent authority. The applicant/EAP must provide any interested and affected party with the information contained in this application on request, during any stage of the application process.
