VACANCIES

York Timbers (Pty) Ltd is a dynamic, integrated forestry and sawmilling company based and managed in Sabie, Mpumalanga. The following vacancy has become available at the Sabie Sawmill:

Electrical Technician

Reporting to the Engineering Manager, the incumbent will be responsible for all electrical and instrumentation repairs

Key performance areas:

- Faultfinding, repairs and planned maintenance on sawmilling equipment, boilers and kilns
- Maintaining HT & LT electrical reticulation
- Preparing reports on maintenance issues
- Ensuring expenditure is kept within budget
- Assisting in the preparation of the budget.

We seek a skilled artisan who enjoys a challenge and takes pride in his work to manage the electrical team. The successful candidate will be a qualified Electrical Technician (N6/T3/S3 Electrical) with a minimum of 5 years' PLC experience (Allan Bradley and Siemens). SCADA, instrumentation and automation experience in a sawmilling environment is essential, as is the ability to work rotating shifts, stand-by and/or overtime, when needed. He/she must be self-motivated and able to work independently without supervision.

Please forward your CV to **Leentjie Tait**:

Fax: (013) 764-8399

E-mail: ltait@york.co.za

Closing date: 16 July 2010

If you have not heard from us within 2 weeks of the closing date, please accept that your application has been unsuccessful.

NOTICE OF ENVIRONMENTAL IMPACT ASSESSMENT PROCESS FOR THE PROPOSED DEVELOPMENT OF A HOTEL AT THE CONFLUENCE OF THE TIMFENE AND CROCODILE RIVERS WITHIN THE KRUGER NATIONAL PARK (MALELANE) - MPUMALANGA PROVINCE

INVITATION TO PARTICIPATE

Notice is given in terms of Regulation 56 of the Environmental Impact Regulations published in Government Notice R385 in Government Gazette No. 28753 of 21 April 2006, under Section 24(5) of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended, that **Cradle of Malalane (Pty) Ltd** proposes to establish a 240 bed Hotel with associated uses such as a Conference Venue & Spa at the confluence of the Timfene and Crocodile Rivers north east of the Malalane Gate within the Kruger National Park. The development proposal also entails the realignment of Rhenosterkoppies Road which currently traverses the proposed development area.

In terms of Sections 24 and 24(D) of the Act, as read with Government Notices R 385 (Regulations 27 — 36), R 386 and R 387 an Environmental Impact Assessment (EIA) is required for the following activities for which the Applicant is applying to the Department of Environmental Affairs:

GNR 386 Item (1)(a)	The generation of electricity where the electricity output is more than 10 megawatts but less than 20 megawatts
GNR 386 Item (1)(d)	The construction of facilities or infrastructure, including associated structures or infrastructure, for resorts, lodges, hotels or other tourism and hospitality facilities in a protected area contemplated in the National Environmental Management: Protected Areas Act, 2003 (Act No. 57 of 2003)
GNR 386 Item (1)(k)	The bulk transportation of sewerage and water including stormwater in pipelines with (i) an internal diameter of 0,36 metres or more
GNR 386 Item (1)(m)	Any purpose in the one in ten year floodline of a river or stream or within 32 metres from the bank of a river or stream where the floodline is unknown, excluding purposes associated with existing residential use, but including (i) canals; (ii) channels; (iii) bridges; (iv) dams; and (v) weirs
GNR 386 Item (1)(n)	The off-stream storage of water, including dams and reservoirs, with a capacity of 50 000 cubic metres or more, unless such storage falls within the ambit of the activity listed in item 6 of Government Notice No R387 of 2006
GNR 386 Item (12)	The transformation or removal of indigenous vegetation of 3 hectares or more or of any size where the transformation or removal would occur within a critically endangered ecosystem listed in terms of Section 52 of the National Environmental Management Biodiversity Act, 2004 (Act No 10 of 2004)
GNR 386 Item (13)	The abstraction of groundwater at a volume where any general authorization issued in terms of the National Water Act, 1998 (Act No 36 of 1998) will be exceeded
GNR 386 Item (15)	The construction of a road that is wider than 4 metres and that has a road reserve wider than 6 metres, excluding roads that fall within the ambit of another listed activity or which are access roads of less than 30 metres long
GNR 387 Item (2)	Any development activity, including associated structures and infrastructure, where the total area of the developed area is, or is intended to be 20 hectares or more

In order to participate in this process, or to obtain further information, please contact **INTERDESIGN LANDSCAPE ARCHITECTS, Claudia Coetzee, PO Box 74648, Lynnwood Ridge, 0040, Pretoria. Tel: 012-348-1922 • Fax: 012-348-7154 • E-mail: claudia@ilaweb.co.za, on or before Friday, 13 August 2010.**

ML1999

vacancies

Stats SA provides scientific knowledge that enables society to understand complex socio-economic phenomena. It draws its mandate from the Statistics Act, No 6 of 1999.

Stats SA strives to excel in the following five competencies: • Intellectual capability to lead the scientific work of statistics • Technological competence for the purposes of large-scale processing, complex computations and accessibility of information to the public • Logistical competence for the deployment of (forward and reverse) logistics of large-scale field operations and for strategic choices regarding operational efficiency and cost-effectiveness • Political competence in understanding the political environment without being political or politicised (commitment of delivery without fear of favour) • Administrative competence to bring it all together.

Dwelling Frame Monitor

Mpumalanga Provincial Office (Ref. No. 06/07/10)

(Salary level 9: R192 540 per annum)

Key performance areas: • Develop appropriate listing, demarcation and GPS capture procedures and methodologies • Supervise provincial fieldwork team/staff • Plan and co-ordinate projects • Determine a strategy for the acquisition of appropriate backdrops and acquire up-to-date datasets to effect accurate demarcation • Implement appropriate listing, demarcation and GPS methodologies • Provide logistical and administrative support to the addressing, listing, demarcation and data capturing staff • Review technical and logistical issues linked to the implementation of the Master Sample • Build effective partnerships with stakeholders • Participate in cross-cutting organisational, national and international programmes.

Prerequisites: • A three-year tertiary qualification in Geography/Urban Planning/Demography • Experience in project management, logistics management and contract management • Knowledge of MS Office Suite • Valid driver's licence • Knowledge of fieldwork and GPS methodology.

Person profile: This position will suit a person with: • Good communication, conflict resolution, innovation and interpersonal skills • The ability to work under pressure, work independently and to enforce policies • The ability to seek solutions for problems encountered.

Assistant Provincial Quality Monitor

Mpumalanga: • Witbank (Ref. No. 83/07/10) • Ermelo (Ref. No. 84/07/10)

(Salary level 8: R161 970 per annum)

Key performance areas: • Assure the quality of collected data, listings and publicity • Audit operations at the Provincial and District Offices • Provide technical training for data collection and listing • Ensure that the correct fieldwork procedures are correctly followed in the identification of sampled dwelling units and listing.

Prerequisites: • A three-year tertiary qualification in Quality Management/Statistics/Geography or a related field • Work experience in fieldwork operations • Experience in quality management • Training in quality management • A valid driver's licence.

Person profile: These positions will suit persons who have: • Excellent interpersonal and presentation skills • The ability to meet deadlines and work independently, and as part of a team • The willingness to travel and to work long hours.

Short-listed applicants must be willing to undergo a competency exercise as part of the selection process.

Closing date for applications: 25 July 2010

Required documents: • Z83 Application Form • Detailed CV with contact details of three recent referees • Certified copies of qualifications, certificates of service (where applicable), Identity Document and driver's licence (if required for the position you are applying for). Failure to submit the required documents may lead to your application not being considered.

Important note: • If you do not hear from us within two months of the closing date, please regard your application as unsuccessful • Correspondence will be entered into with short-listed candidates only • Stats SA reserves the right not to appoint • Appointment is subject to security clearance, the signing of a performance agreement, the verification of the applicant's documents, and reference checking • It is the applicant's responsibility to have foreign qualifications evaluated by the South African Qualifications Authority (SAQA) • Applications received after the closing date will not be considered • Please clearly indicate the position you are applying for in your application • If you apply for more than one position, complete and separate applications must be submitted for each • NB: Faxed or e-mailed applications will not be considered.

Applications can be submitted to the following address: Private Bag X11290, Nelspruit 1200 or hand-delivered on the 2nd Floor, State House, 17 Henshall Street, Nelspruit. Contact person: Lucas Sambo at (013) 754-0600.

Stats SA endeavours to promote the careers of previously disadvantaged persons by applying the principles of appropriate legislation, eg the Employment Equity Act, 1998 (Act No 55 of 1998).
